السلام عليكم وَرَحْمَةُ اللهِ وَبَرَكَاتُهُ

Warmest Greetings to all our readers. Welcome to the latest edition of BIT@FSKKP.

Alhamdulillah, we have completed the first edition of our beloved bulletin for the year 2017. The theme for this edition is laid back or 'santai'. In this edition, we are sharing some of the achievements and success stories of our staff and students.

I would like to use this opportunity to wish all my editors a hearty thanks for a job well done. I would also like to extend the gratitude to all those who have helped to make this edition of BIT@FSKKP a success.

From the editors, we hope all the readers enjoy our effort. Selamat membaca...

Thank you and Best Wishes,

Associate Professor Dr Noraziah Ahmad
